Payment via internet banking or cash on the day	Payment via cash on the day		Pay with cash on the day	Pay via internet banking or bring cash on the day

Links to online forms are sent out during the week, via our Skoolbag App and can also be found on our school Facebook Page

Pita Pit is a new option, managed externally by the Lunch Online website. TGS does not take orders or payment for these. Pitas are delivered to us at school pre-made and named, so please check your orders carefully.

All lunches are picked up from the Kakapo Cade at 12.30 with the exception of children in the Kiwi Hapori, who have their lunch delivered to them.

We are exploring options for a “one-stop-shop” order and payment system for TGS Lunches, which allows us to combine our external options as well as those we prepare here at school and will keep you up to date with any changes.
