## FROM THE PRINCIPAL

We hope you are all enjoying a relaxing summer holiday!

A special welcome to all the new families joining The Gardens School in 2021.

***In order to ensure a smooth start back to school for everyone, please see the information below:***

Please make sure your child is prepared for the start of the new school year, in their correct school uniform and with their stationery pack in their bag on the first day of school. Information about uniform and stationery was sent out at the end of 2020, and can be found on Page 3 of this newsletter.

**All students are to meet in the school hall on the morning of Wednesday, February 3rd. The bell will ring as usual at 8.50am.** Students should keep their school bags with them, so that stationery can be unpacked once they get to their learning areas. We will read out each Hapori as a whole group and students will then make their way to their learning spaces, with their teachers.

Orientation visits and New Entrant pre-visits in Term 4 mean that the majority of students have already spent time in their new learning spaces, so we expect a very smooth start to the year. We ask that parents do not follow children once they leave the hall - we promise your children will be just fine. If you need some time to calm your own nerves, please support Cafe Aroha, who are just across the road - we can highly recommend their coffee!

From the second day of term, all students will use their regular entry points in the morning at the 8.20am bell. New children will have these shown to them on the first day. **FRIDAY DROP IN:** A reminder to all parents that Friday morning is our "drop-in" morning, parents are welcome to come into our learning spaces between 8.20am and 8.50am, starting Friday 5th February.

Finally, a reminder about parking. Please drive and park safely and legally. There is no parent parking in any of the staff carparks, including the Rosehill carpark at the top of Mt Lebanon Cres. Please do your part to keep all our kids safe, especially during the busy, back to school period.

**Susannah Fowler, Principal**

# Pick Up and Drop Off

## **Early Pick Up: Year 0-2 Students**

With the changes to our Hapori structure for 2021, our early pick up option is ONLY available for students in Year 0, 1 and 2 (Kiwi and Kakapo Hapori) and follows the same system as we used in Term 4.

## **Early Pick Up is optional and is available from 2.30pm onwards.**

**Please wait outside the Arua Park gate at the Reception end of the school** and your child will be brought out to you. Please note, we cannot release older siblings to you.

**Year 3 - 6** (*Pukeko, Kotuku and Piwakawaka*) children will be released to Central Park, via the Library, at 2.50pm

**Year 7-8** (*Kahu*) children will be released to Central Park, via South Park, at 2.50pm

## **Drop Off:**

We continue with our Monday to Thursday drop-off at the door, with students entering the school as follows:

Kiwi and Kakapo Students - Arua Park Doors

Pukeko, Kotuku and Piwakawaka Students - Library doors in Central Park

Kahu Students - Action Station doors

Staff will always be available at the door to answer any queries you may have in the morning.

## **Friday morning Drop-In:**

On Friday mornings we welcome parents to come into our teaching spaces and see what our kids have been up to. **This will begin on Friday 5th February**, we look forward to seeing you then.

# Health and Wellbeing

---

## ***Health and Wellbeing of students and staff***

---

Although there is currently no community transmission of Covid-19, we know from experience that this can change overnight and it is important for us all to continue to be vigilant around health and safety.

- Children who are sick should be kept home from school
- Children who come to school and are unwell, will be sent home
- Our regular cleaning procedures remain in place, both during the day and after school
- As with our usual expectations, children are not to share any food or drinks at school
- Parents who enter the school office are reminded to scan in using the Covid-19 App. We also encourage you to scan in for Friday morning drop-in and you will find QR codes at the main student entry points.
- If Alert Levels change, our procedures and protocols will change immediately

# Important Reminders

## Stationery Orders: 2021

---

School stationery must be ordered in advance of Term 1 starting.

Please go to this link <https://www.myschool.co.nz/> and enter The Gardens School, to see the requirements list for each Hapori.

**Please ensure you order the full list of items for each child.** We endeavour to keep stationery requirements to the minimum, and everything that is listed is required. We choose to use Office Max for quality and consistency, particularly with exercise books, as these can vary greatly between brands, so please do not substitute items. Send the WHOLE pack to school with your child on the first day of term.
