

UNIFORM

Our Uniform Requirements:

It is our expectation that all students wear our official school uniform, correctly and to a high standard, at all times.

Our school uniform is sold at our on-site uniform shop, open Tuesday mornings and Thursday afternoons. Orders can be made through the office at other times. We recommend you do not buy from the Uniform Shoppe in Manurewa, as they do not stock not the correct uniform items and they cannot be worn to school.

The old red sweatshirt is no longer an official school uniform item.

All uniform items must be named in a prominent place. Please do not name hats on the brim.

School PE Gear must be worn for all fitness and sports activities.

Each child will require the following items:

Y0-6: Polo shirt, shorts or culottes, bucket hat, PE gear, white or black ankle socks, polar fleece jacket or polar fleece sweatshirt

Y7-8: Polo shirt, shorts with knee high boys socks, skirt or skort with white ankle socks, bucket hat or Y7/8 black cap, PE gear, polar fleece jacket or polar fleece sweatshirt

To meet the School Uniform Policy, **plain** black shoes or black sandals (flat soled and excluding sports shoes) form part of the school uniform. Shoes should be hard-wearing and stay on well. We advise an appropriate school shoe - not a "fashion" shoe. Shoelaces must be black.

Hats are compulsory clothing items for Terms 1 and 4.

Winter options include the grey undershirt, which can be worn with or without the polo shirt, the school jacket, beanie and scarf. Y0-6 students may wear the long black pants in winter. Girls of all levels may wear black tights (not footless) or knee-high black socks, during the winter terms.

Hair that reaches the shoulders should be tied back. This applies to both girls and boys. Any hair ties, head bands or hair clips are to be in the school colours of black, red, white or brown. Earrings should be plain studs. No other jewelry may be worn, except for watches.

BOYS Y0-6

GIRLS Y0-6
