MODIFY

Modify Piercing and Tattoo is owned and operated by artist James Lyon and piercer Jessica Grieve. He has been tattooing for over 14 years and loves the art with a passion. Every piece of art that he creates stems from the projection of the imagination of the customer. James breathes life into his customer's ideas to create stunning pieces. He is especially interested in portrait tattoos and realism but is by no means limited by this.

Our tattoo and piercing studio is located in the heart of Manukau. It is a community-orientated studio with an open door policy. Health and safety is paramount to our practices. Our artists handle your tattoo and piercing needs with gentle hands coupled with state-of-the-art hygiene procedures.
